LYNCHBURG CITY CODE SECTION 36-177
EXEMPTION OF REAL ESTATE TAXES
FOR
CERTAIN REHABILITATED
RESIDENTIAL AND COMMERCIAL AND INDUSTRIAL
PROPERTIES

March 21, 2003

Sec.36-177. Exemption of real estate taxes for certain rehabilitated residential and commercial and industrial real estate.

(a) Definitions. For the purpose of this section, the following words and phrases shall have the meaning respectively ascribed to them by this subsection unless another meaning shall clearly appear from the text:

(1) Substantially rehabilitated residential/multifamily (6 units or more) real estate: Real estate upon which there is an existing residential or multifamily structure, which is no less than fifty (50) years of age, and which has been so improved as to increase the assessed value of the structure by no less than forty (40) per cent, but without increasing the total square footage of such structure by more than fifteen (15) per cent.

(2) Substantially rehabilitated commercial or industrial real estate: Any real estate upon which there is an existing commercial or industrial structure which is no less than twenty-five (25) years of age, and which has been so improved as to increase the assessed value of the structure by no less than sixty (60) per cent.

(3) Base value: The assessed value of any structure covered by this section prior to the commencement of rehabilitation work, as determined by the city assessor upon receipt of an eligible application for rehabilitated real estate tax exemption and after a physical inspection of the property by an appraiser from the city assessor's office.

(4) Rehabilitated real estate tax exemption: An amount equal to the increase in assessed value resulting from the substantial rehabilitation of a structure as determined by the city assessor and this amount only should be applicable to subsequent tax exemption.

(5) Taxable year: For the purpose of this section, the fiscal year from July 1 through June 30 for which such real estate tax is imposed for the exemption claimed.

(6) Owner: The person or entity in whose name the structure is titled or a lessee who is legally obligated to pay real estate taxes assessed against the structure.

(b) Rehabilitated real estate tax exemptions. It is hereby declared to be the purpose of this section to authorize a rehabilitated real estate tax exemption for substantially rehabilitated residential, multifamily, commercial or industrial real estate located anywhere within the City of Lynchburg. For each residential and multifamily property that qualifies, the rehabilitated real estate tax exemption shall be effective for a period of ten (10) years commencing on July 1 for any work completed during the preceding fiscal year. For each commercial or industrial property that qualifies, the rehabilitated real estate tax exemption shall be effective for a period of five (5) years commencing on July 1 for any work completed during the preceding fiscal year.

(c) Usual and customary methods of assessing. In determining the base value and the increased value resulting from substantial rehabilitation of residential, multifamily, commercial, or industrial real estate, the city assessor shall employ usual and customary methods of assessing real estate.

(d) Eligibility requirements:

(1) An application to qualify a structure as a substantially rehabilitated residential, multifamily, commercial or industrial structure must be filed with the city assessor's office before work is started. Applications may be obtained from the city assessor's office.

(2) Upon receipt of an application for rehabilitated real estate tax exemption, an appraiser from the city assessor's office shall make a physical inspection of the structure and determine the assessed base value of the structure. If

work has been started prior to the first inspection; the base value will include any work started and will reflect the market value of the structure as of the date of the first inspection.

(3) The application to qualify shall be effective for a period of two (2) years from the date of filing. No extensions of this time period will be granted.

(4) Upon completion of the rehabilitation, the owner of the property shall notify the city assessor in writing, and an appraiser from the city assessor's office shall physically inspect the property and perform an after rehabilitation appraisal to determine if it then qualifies for the rehabilitated real estate tax exemption.

(5) Upon determination that the property has been substantially rehabilitated pursuant to the terms of this section, the rehabilitated real estate tax exemption shall become effective for a period as provided in paragraph (b) hereof.

(6) Prior to a determination that the property has been substantially rehabilitated, the owner of the property shall continue to be subject to taxation upon the full value of the property, as otherwise authorized by this code.

(7) No improvements made upon vacant land nor total replacement of residential, multifamily, commercial, or industrial structures shall be eligible for rehabilitated real estate tax exemption.

(8) No property shall be eligible for such exemption unless the appropriate building permits have been acquired and the city assessor has verified that the rehabilitation indicated on the application has been completed.

(9) Multifamily residential structures after rehabilitation is completed shall remain as such for the remainder of the exemption period.

(10) There shall be a non-refundable fee of one hundred twenty-five dollars (\$125.00) for processing each residential application and two hundred fifty dollars (\$250.00) for processing each multi-family, commercial or industrial application under this section.

(11) The property must at all times be in compliance with all Lynchburg city codes including, without limitation, the building code, the rental housing code, the zoning ordinance and all other codes that relate to real estate within the City of Lynchburg. Failure to correct the violation within the required time, as provided by the building inspector, will void the remainder of the exemption. If a structure is damaged or destroyed and found to be uninhabitable, the exemption will be terminated.

(12) No exemption shall be granted if access to the entire property is denied to the city assessor's office or the inspections division.

(13) All taxes must be paid and current to be eligible for an exemption. If the city assessor is notified by the billing and collections department that the property is more than thirty (30) days delinquent on taxes, then the remainder of the exemption will be void.

(14) Only one rehabilitation exemption may be active for a parcel at any given time.

(e) Exemption to run with the land. The rehabilitated real estate tax exemption shall run with the land, and the owner of such property during each of the years of exemption shall be entitled to the amount of partial exemption. (Ord. No. O-82-252, § 1, 12-14-82; Ord. No. O-84-274, § 1, 11-27-84, eff. 7-1-84; Ord. No. O-88-277, § 1, 10-11-88; Ord. No. O-93-331, 12-14-93; Ord. No. O-03-040, 2-25-03, eff. 4-1-03)
